

Instant Capture

Inconsistent formats. Unfamiliar abbreviations. Line item details. Ottimate can translate it all to your general ledger — so accurately it leaves you in awe.

Ottimate, the best AP automation AI, partners with you for the entire invoice lifecycle!

Upload & Reconciliation

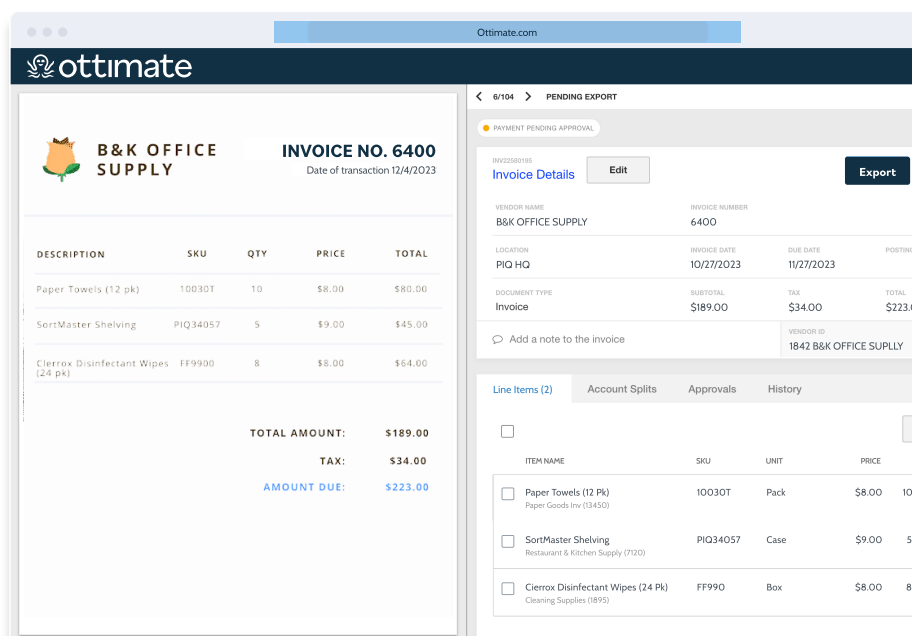

Upload invoices from any format — paper, images, email, or EDI feeds. AP becomes stress-free with Ottimate handling the rest.

Instant Capture

Get time back in your day with a tool designed to digitize your invoices in seconds.

Workaround-Free Approvals

Don't settle to work any other way but yours. Ottimate instantly routes invoices through a custom approval workflow based on your line-item rules, no matter how complex.

The screenshot displays the Ottimate web application interface. The left sidebar shows the 'ottimate' logo and a list of items. The main content area displays an invoice from 'B&K OFFICE SUPPLY' with invoice number '6400' and a transaction date of '12/4/2023'. The invoice details include a table of line items with columns for Description, SKU, Qty, Price, and Total. The total amount is \$189.00, with a tax of \$34.00, resulting in an amount due of \$223.00. The right sidebar shows the 'PENDING EXPORT' status and a table of line items with columns for Item Name, SKU, Unit, and Price.
