AP That Pays You Back

Paying bills won't grow your bottom line — unless you Ottimate your payments. Pay any invoice, from anywhere, in a single system.

Simply schedule your payments, sit back, & relax with **VendorPay**. We'll take care of the rest!

One System for All Your AP

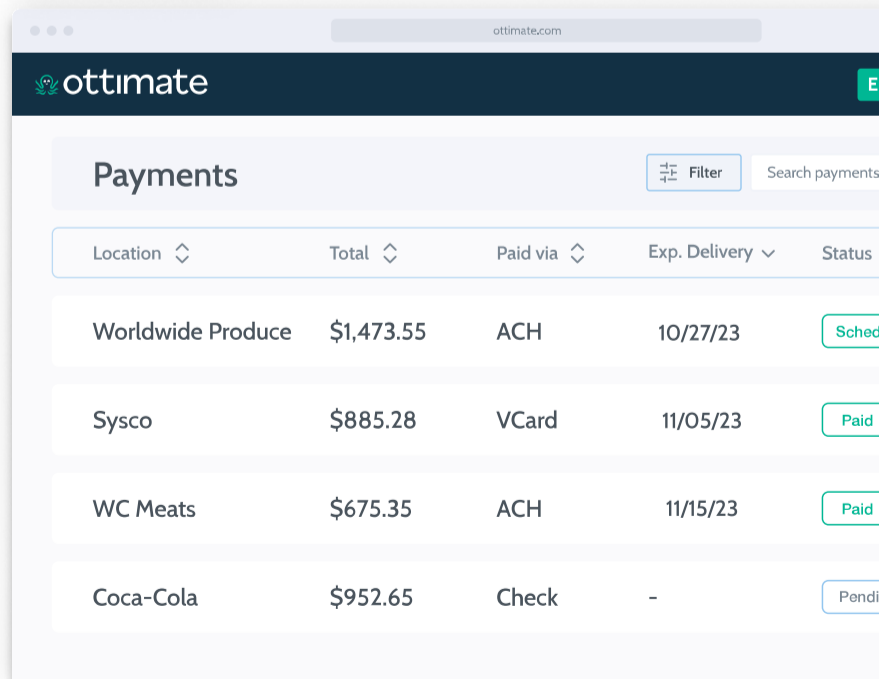

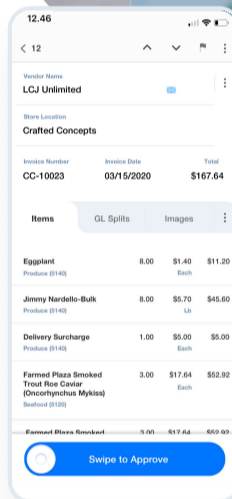

Say goodbye to wasted time on check cutting and payment processing across multiple platforms. Pay any invoice and reconcile payments from your Ottimate dashboard with VendorPay.

Multiple Payment Options

Schedule and pay vendors directly through Ottimate using their preferred payment method: vCard, ACH, or check. Ottimate integrates directly with Sage to keep data updated.

Strong Vendor Relations

In-app vendor communications and streamlined payment processing ensure timely payments for your vendors, every time.
